

Bronx Waterways Tour

Student Name: _____

School: _____

Materials

- | | |
|---|-------------------------------------|
| ☐ Watercolor paper | ☐ Paintbrush |
| ☐ Oil pastels | ☐ Water |

Directions

1. First, make sure you cover your space with a plastic tablecloth, newspaper, or some paper towels, in case you make a mess!
2. Use the oil pastels to draw your favorite features of the Bronx on the watercolor paper: water, animals, trees, flowers, etc.
3. To add "movement" to your piece, rub the oil pastels with your fingers to blend the colors together, or wet a paintbrush with a small amount of water and paint over your drawing.

How do you feel when you see nature, in person or in pictures?
